Teams who drop out will not receive refunds. Placement of teams within the various Divisions of each age group shall be guided by the principals of fairness, competitiveness and

balance. Balance means that to the greatest extent possible, each team in a Division will play each of the other teams within that Division the same number of games during the league schedule. This may not be entirely possible for the lowest Division within an age group due to uneven numbers of teams within the age group. In that case only the last number of games in which all teams play each other an equal number of games, shall count toward standing for Divisional Placement. The VP of Admin will provide the Executive Committee with the standings, and the VPs will recommend group placement before the annual coaches meeting. These proposed divisions will be published prior to the annual coaches meeting, and will be finalized at the coaches meeting for all age groups. **ANY AFFILIATE THAT FAILS TO ATTEND THE ANNUAL COACHES MEETING SHALL FORFEIT THE RIGHT TO CHALLENGE DIVISIONAL PLACEMENT. THIS INCLUDES THOSE THAT HAVE EARNED A SPOT DUE TO PROMOTION/RELEGATION. ALL MATTERS OF ROSTER COMPLIANCE WILL BE DECIDED AT THIS MEETING.**

a) U9 – U10 age group, Attempts will be made to have the teams play a home and away, balanced, schedule. Groups of 6 will have 10 games, groups of 7 will have 12 games, and groups of 8 will have 14 games over a 14 week season. Where this is not possible, the Executive committee will determine how to schedule additional games in the best interest of all teams.

b) U-11 & U-12: Each Under 11 and 12 Age Group (Boys and Girls) shall be divided into two or three Divisions, with the number set by the Executive Committee after determining the number of teams registered. Each Division shall be divided into groups of an equal number of teams, to the extent practicable, with emphasis of 8 teams in each Division.

No Round Robin Seeding tournaments shall be held for Under 11's.

For the Under 12 Divisions, to the extent practical, the top 6 teams from Division I shall remain in Division I. The bottom two teams from Division II shall be promoted to Division I. *No Round Robin Seeding tournaments shall be held for Under 12's.*

To the extent practical, while maintaining geographic regions, Division II shall consist of the following: i) the bottom two teams from last year's Division I; ii) the top two teams from Division III; and iii) that number of teams from last year's Division II needed to bring the number of teams in Division II to the number in the Division as set by the Executive Committee, with the spaces going to the teams with the highest standings from the immediate preceding year. The grouping of the teams in Division III shall be made at the Annual Seeding Meeting.

c) U13: Each Age Group (Boys and Girls) shall be divided into three Divisions – I, II and III. Division I shall consist of 8 teams each. Division II shall be determined based upon the number of teams registered by the Executive Committee. Division III shall be divided into groups of an equal number of teams based upon seeding and geographic placement. *No Round Robin Seeding tournaments shall be held for Under 13's.*

Under 14 –Under 19 Divisions, the teams shall be placed based upon principals of Promotion/Relegation. *No Round Robin Seeding Tournaments shall be held for under 14's through under 19's.* Each Age Group (Boys and Girls) shall be divided into three Divisions – I, II and III. Division I and II shall consist of 8 teams each. Division III shall be divided into groups of an equal number of teams based upon seeding and geographic placement. In each Age Group the top 6 teams from Division I shall remain in Division I. The bottom two teams from Division I shall be relegated to Division II. Division II shall consist of the following: i) the bottom two teams from last year's Division I; and that number of teams from last year's Division II needed to bring the number of teams in Division II to 8 with the spaces going to the teams with the highest standings from the immediate preceding year. The grouping of the teams in Division III shall be made at the Annual Seeding Meeting. Teams will be placed in divisions based upon the record of the team as registered by the club

from the previous year, it will NOT be determined by a % of players from the previous year.

Annual Seeding Meeting: Shall mean a meeting to be set by the Executive Committee prior to the season for determining groupings in Division III and other Division placement issues. Each team that is not placed within a Division and group, if in Division III, by the rules, must be represented by a coach or a team representative at the Annual Seeding Meeting. It shall be the obligation of each team to check the USA Website to determine the time and location of the Annual Seeding Meeting. Failure of a coach or representative for a team to attend the Annual Seeding Meeting shall result in the loss of that team's right to appeal such placement. USA Admin Coordinator shall post the past season standings and team records prior to the Annual Seeding Meeting. The meeting for each age group shall be presided over by the Vice President. The Coaches shall attempt to agree on the placement of the various teams into Divisions or groups, as applicable under the placement rules, for their respective age groups.

Eligible Record: Means a regular season record with more wins and ties than losses.

Promotion/Relegation: This principal of Promotion/Relegation means that each team may be either moved up a Division, moved down a Division or remain in the same Division as that in which the team played in the immediately prior season, based upon that team's standing at the end of the immediately prior season.

Standing: All standings shall be made as of the end of the league season, based on League play only. Tournament and post season records shall not affect standing. Teams per Affiliate in Division I: In no event shall any Division I have more than two teams from the same Affiliate.

Playing Up: Any team that may qualify to play up an age group will be treated as a New Team in the Age Group to which they are playing up. If such team wishes to play in Division I, the team may petition the Executive Committee for permission to challenge the lowest ranked team that has qualified for Division I (generally, the second place team from the previous year's Division II) in a head to head challenge game. The winner will be placed in Division I. If the loser is the team playing up, that team shall be relegated to Division III. If the loser is a challenged team, that team shall be relegated to Division II, with the lowest ranked team in Division II being relegated to Division III.

Failure to Return: If a team that was in a particular Division during the immediately preceding season fails to return for the current season, or become a New Team by definition, and is therefore not a returning team, no changes to the prior season's league standings will be made for purposes of Promotion/Relegation. Such failure to return will merely result in an additional open spot where such team would have placed. For example; if a team in the top six fails to return, the 7th place team does not automatically take its place. The VP shall determine which team shall fill a spot vacated by the team failing to return at the Annual Seeding Meeting and shall recommend such assignment to the coaches at the annual meeting. Any team that fails to attend the Annual Seeding Meeting shall forfeit the right to challenge the recommendations.

Agreement at Annual Meeting: In order for a team to be placed in a Division or Grouping at the Annual Seeding Meeting in which agreement is necessary by these rules, all teams present must agree on the placement. Any team not present may not object to placement for any reason, including promotion/relegation.

Team Registration: Any team electing to play in the USA league must be registered with USA by the application deadline.

Executive Committee Adjustments: The Executive Committee may adjust the number of teams in any Division II upon a determination that insufficient numbers of teams are available for a Division III. In the U-17 and U-19 Age Groups, the Executive Committee may adjust the number of teams in Division I, up or down, to assure proper competition

among the teams. The Executive Committee may utilize in any Division the provision that will allow the reshuffle of the teams to achieve a better balance. The Executive Committee maintains the right to modify these rules for the particular season to provide for extraordinary circumstances. Such modifications shall terminate at the end of the season unless adopted by the Board at the Annual General Meeting.

Division Sizes: As some Division or Division groups have an unequal number of teams, only the last number of games in which all teams play each other an equal number of games shall count toward standing for Divisional Placement.
