

# TEAM SPONSORSHIPS

Braden River Competitive Soccer teams consist of dedicated girls and boys from all over Sarasota and Manatee counties. We are a 501c (3) non-profit organization managed by dedicated coaches and volunteers who tirelessly provide their assistance and time throughout the year. The club provides top quality coaching and training.

To help subsidize the teams, pay for additional tournaments, and training tools, we **rely on donations from generous individuals and business sponsors**. In return, our sponsorship packages offer exciting marketing items that advertise your business to the parents, fans, players and coaches.

We invite you to be part of our club culture, one that strives for success for all its players, members and sponsors.

Help make the dreams of all our players come true by sponsoring a team or teams at our club today.

Please review the following pages, explaining the packages available.
